

NOTICE OF CORRECTION

The City of Shoreline Notice of Hearing that was published on March 29, 2013 was incorrectly titled. The Notice was intended to read as follows:

NOTICE OF INTENT

The City of Shoreline is in the process of amending its SEPA procedures. WAC-197-11-904 provides agencies with the flexibility to modify or add to their SEPA procedures at any time.

The purpose of this notice is to solicit comments on the proposal and to address the 21 day comment period and procedural notification requirement in WAC 197-800(c) (iii). The comment period is required when an agency is proposing to raise the local exemption levels for minor new construction in WAC 197-11-800 (d).

At a study session on February 21, 2013, and a public hearing on March 21, 2013, the City of Shoreline Planning Commission considered the proposal and the existing protections for elements of the environment. The documentation required in WAC 197-11-800 (c) (i) is part of the record that was considered at the public hearing. The documentation and hearing record will accompany the Planning Commission's recommendation to City Council. The Council is scheduled to take action on the proposal on April 29, 2013. When the Council takes action the record and adopting ordinance will contain the appropriate findings that document the locally established project-level public comment opportunities provided for proposals included in the increased exemption levels.

Written comments must be received at the address listed below before **5:00 p.m. April 18, 2013**. Please mail, fax (206) 801-2788 or deliver comments to the City of Shoreline, Attn: Jeff Forry 17500 Midvale Avenue N, Shoreline, WA 98133 or email at: jforry@shorelinewa.gov
