

# THIS WILL BRING CHANGE TO YOUR NEIGHBORHOOD

Now is the Time to Get Involved and Help Plan for the Future!

## 145<sup>th</sup> Street Light Rail Station Subarea Plan DESIGN WORKSHOP

Thursday, June 12, 2014, 6:00 to 8:00 pm  
Council Chambers, Shoreline City Hall (17500 Midvale Avenue)

*Even though the trains won't be running for nearly a decade, the City will spend the next year creating a subarea plan for the neighborhoods surrounding the future station. Adoption of this plan will change land use and zoning designations, and regulations that influence neighborhood character. The purpose of this workshop is to brainstorm possibilities for where new households and businesses should go; where transportation and environmental improvements are needed; how buildings and public spaces are designed; and other factors that affect quality of life. Please join us and tell us what you would like to protect, enhance, or change about your neighborhood. Refreshments and child care will be provided.*
