

THIS WILL BRING CHANGE TO YOUR NEIGHBORHOOD
 Now is the Time to Get Involved and Help Plan for the Future!

185th Street Light Rail Station Subarea Plan

COMMUNITY MEETING

Draft Environmental Impact Statement (EIS)

Tuesday, June 3, 2014, 6:00 to 8:00 pm
 Council Chambers, Shoreline City Hall (17500 Midvale Avenue N)

The EIS examines potential impacts of long-term growth in neighborhoods surrounding light rail. Please join us to learn about this analysis, the scenarios and topics it studied, possible improvements to roads and other infrastructure, how to comment, and next steps in the process. Questions welcomed. Refreshments and child care will be provided.

Potential 185th Street Bridge

Potential 8th Avenue Development

These images were based on community input, presented at the February Design Workshops, and portray possibilities of how the subarea may change over time.
