**Subject:** [EXTERNAL] Opposed to the Iron Brothers Rezone - Shoreline

This rezone would have a big impacted way beyond the area that is proposed. The impact of the rezone would have a big effect for **blocks** around, like less trees, parking issues, and with more cars using the streets it would cause need for more street repairs. With more people there would be taller buildings that block views for the current people living there, more noise, more light glare at night, noxious car fumes, and it would cause a increase of crime in the entire neighborhood. That would cause Shoreline to hire more police. All these things will **cost** Shoreline more than it's worth. I like Shoreline. That's why I moved here. But with all these proposed changes will cause me to like it much less. Please! Do Not Rezone. Please..... Once you start this, the urban sprawl will not stop. Then Shoreline will be Just Like Seattle!!!!!!
