Subject: [EXTERNAL] Iron brothers residential re-zoning

CAUTION: This email originated from outside of the City of Shoreline. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Please stop the re-zoning of NE 170th st. Our residential street is already has high traffic and congested parking. Re-zoning to allow commercial business will further make our street unsafe for the people who live here. The iron brothers are still using our public parking spaces for their personal commercial vehicles.
