9. My Name is Kimberly Steele, I have been a resident here in my same Shoreline home for over 20 years. As well as a current in home childcare business owner for over 9 years. Having been involved within our community families, raising my own children and definetly being apart in other peoples children's welfare. Ultimately, if approved; there is clear concern for future use of this property which can greatly affect our neighborhood, family's and children in varius possible ways. This, being the reason why; I completely oppose proposed plan amendment and rezone of residential to business on NE 170th St.

Thank you-

Thank you,
