

Public Comment to City of Shoreline Planning Commissioners
RE: Public Hearing for Amendment #1 and #3 to the Comprehensive Plan

October 15, 2019

Dear Planning Commission members,

In case you were unaware, we had well over 100 people gather at City hall on Monday, 10/7/19 during the City Council meeting to rally and show their support for our application and Amendment #1 and #3 for the Comprehensive Plan modification.

We are humbled and grateful!!!

We received so much CITYWIDE COMMUNITY SUPPORT from East & West Shoreline Neighborhoods, as well as all the Neighborhoods in the middle too!

We are truly lucky to be so loved CITYWIDE. Thank you, SHORELINE, for "Supporting Shoreline Neighborhood Businesses."

Shoreline has the best neighbors who know neighborhood businesses are the REAL fabric of authentic communities.

Please see the attached photos that show our support. It is unfortunate we are unable to join you, but will plan to be present and also present our application details on November 21, 2019 at the continuation of the upcoming Public Hearing on 10/17/19.

Thank you for your attention,

Joseph & Melissa Irons
