Dear Planning Commissioners,

We oppose any and all rezone proposals for 1510 and 1517 NE 170th St. As well as city wide proposal for professional office, because it's incompatible with the neighborhood, Shoreline's Comprehensive Plan, and will create permanent and irreversible impacts to our community. The SEPA is incomplete and inadequately evaluates all environmental impacts of this proposal of changing residential uses to business uses.

In addition, we were encouraged to read that the Staff Report recommends denying these amendments.

We are residents on 170th St. We have lived here for 21 years. We oppose the rezone of 1510 and 1517.

Thank you for your time.
