Use Table

The Use Tables in the Shoreline Development Code list the permitted uses for each zone in the city. Below is an excerpt from Chapter 20 of the Shoreline Municipal Code. For the complete Use Table including associated ordinances please see the [City of Shoreline Development Code, Section 20.40.100](#).

Subchapter 2. Permitted Uses

20.40.100 Purpose.

- A. The purpose of this subchapter is to establish the uses generally permitted in each zone which are compatible with the purpose of the zone and other uses allowed within the zone.
- B. The use of a property is defined by the activity for which the building or lot is intended, designed, arranged, occupied or maintained.
- C. The use is considered permanently established when that use will be or has been legally established in continuous operation for a period exceeding 60 days.

Exception to SMC 20.40.100(C): A use which will operate for less than 60 days or operates under an approved temporary use permit is considered a temporary use, and subject to the requirements of a temporary use permit.

- D. All applicable requirements of this Code, or other applicable State or Federal requirements, shall govern a use located in the City. (Ord. 731 § 1 (Exh. A), 2015; Ord. 238 Ch. IV § 2(A), 2000).

20.40.110 Use tables.

- A. The land use tables in this subchapter determine whether a specific use is allowed in a zone. The zone designation is located on the top of each column and the specific use is located on the horizontal rows.
- B. If no symbol appears in the box at the intersection of the column and the row, the use is not allowed in that zone.
- C. If the letter "P" appears in the box at the intersection of the column and the row, the use is permitted in that zone.
- D. If the letter "C" appears in the box at the intersection of the column and row, the use is allowed subject to a conditional use permit.
- E. If the letter "S" appears in the box at the intersection of the column and the row, the use is allowed subject to a special use permit.
- F. If an "-i" appears in the box at the intersection of the column and the row, the use may be allowed subject to the appropriate review process indicated above (P, C or S), the requirements of this Code, and the specific condition

Hours of Operation:

| | |
|-----------|-----------------|
| Monday | 8:00 am-5:00 pm |
| Tuesday | 8:00 am-5:00 pm |
| Wednesday | 1:00 pm-5:00 pm |
| Thursday | 8:00 am-5:00 pm |
| Friday | 8:00 am-5:00 pm |

Permit Processing Ends at 4:00 pm Daily

s indicated in the Index of Supplemental Use Criteria (SMC 20.40.200 through 20.40.610) for that type of use.

G. For the purposes of this Code, in most instances only broad use classifications that share similar characteristics are listed in the use tables. Where separate regulations or permit processes are necessary, uses are classified further. Some uses are identified with a detailed description provided in a referenced North American Industrial Classification System (NAICS) number. (This system classifies land uses by categories and provides subclassification for more detailed associated uses.) In case of a question as to the inclusion or exclusion of a particular proposed use, which is not identified in these tables, the use shall not be permitted unless allowed through a Code interpretation applying the criteria for Unlisted Use found in the Index of Supplemental Use Criteria (SMC 20.40.200 through 20.40.610). Temporary uses are allowed under criteria listed in SMC 20.30.295.

H. The Director is authorized to make reasonable accommodations to provisions of the Code that apply to dwellings occupied or to be occupied by disabled persons as defined by the Federal Fair Housing Act and Fair Housing Act Amendments, when such reasonable accommodations may be necessary in order to comply with such acts. All such accommodations shall be personal to the applicant and shall expire immediately if the disabled applicant terminates occupancy at the subject site.

I. Where a zoning designation line divides a parcel which was in single ownership on August 17, 2015, and it contains more than one nonresidential zoning designation with no internal or abutting residential zoning designations, then any combination of the nonresidential zones' allowed land uses shall be permitted throughout the entire parcel. All other development standards apply to each zone separately. See SMC 20.50.020(D) for more exceptions to lots with split zoning.(Ord. 722 § 1, 2015; Ord. 609 § 9, 2011; Ord. 425 § 2, 2006; Ord. 238 Ch. IV § 2(B), 2000).
