

Notice of Community Meeting, Draft Environmental Impact Statement, and Public Hearing of the Planning Commission

Description of Proposal: The City of Shoreline proposes to adopt a Planned Action Ordinance for the area known as the Aurora Square Community Renewal Area (CRA). The CRA is approximately 70 acres and is generally located at the southwest corner of Aurora Avenue N and N 155th Street. The current land uses within the CRA include low-rise commercial uses such as Sears and Central Market and offices for Washington State Department of Transportation. The CRA is zoned Mixed-Business (MB) which allows commercial, retail, multi-family housing and any mix of residential/commercial uses. The CRA Planned Action will consider transportation impacts generated from potentially changing circulation patterns onsite as well as potentially changing the configuration of adjacent roadways such as the re-channelization of N. 160th Street, improvements to the Aurora Avenue/N. 160th Street intersection, improvements to the Westminster Way/N. 155th Street intersection, and potentially creating an alternative access point on Aurora Avenue to the CRA. The CRA Planned Action will also consider transportation facilities for transit, pedestrian, and bicycles to support redevelopment; identifying opportunities for better pedestrian access to and from the CRA; opportunities and incentives for low-impact and eco-district improvements; providing exceptional signage and wayfinding for the site; and creating visual openings in to the site that will allow better connection between pedestrians and businesses.

DRAFT ENVIRONMENTAL IMPACT STATEMENT

The City is preparing a Draft Environmental Impact Statement (DEIS) for the Aurora Square Community Renewal Area (CRA). The DEIS analyzes potential impacts of three alternatives (two action alternatives and one no action alternative) for the redevelopment of the CRA. Potential impacts include transportation and stormwater. The DEIS will be available for public review on December 12, 2014.

Interested persons are encouraged to provide written comments regarding DEIS. **This may be your only opportunity to submit written comments.** Written comments must be received at the address listed below before **5:00 p.m. January 12, 2014**. The City of Shoreline, as lead agency, issued a SEPA Determination of Significance (DS) on August 14, 2014. An Environmental Impact Statement (EIS) is required under RCW 43.21C.030(2)(c) and will be available for review on December 12, 2014. The DEIS can be found here when available: <http://www.cityofshoreline.com/business/aurora-square-community-renewal-area>.

PUBLIC HEARING

The Planning Commission is required to hold a public hearing on the CRA Planned Action EIS. The Planning Commission is responsible for evaluating the impacts of the proposal, soliciting community input, and forwarding a recommendation to the City Council. The Planning Commission will take public comment on the three alternatives and make a recommendation to City Council on the preferred alternative at the public hearing. The preferred alternative will be identified as the Planned Action in the Final Environmental Impact Statement.

Interested persons are encouraged to provide oral and/or written comments regarding the above project at an open record public hearing. The hearing is scheduled for **Thursday, January 29, 2015 at 7:00 p.m.** in the Council Chamber at City Hall, 17500 Midvale Avenue N, Shoreline, WA.
