Total city fees will be calculated using the adopted hourly rates for land use permits in effect during processing of the tax exemption and any excess will be refunded to the applicant upon approval or denial of the application.

Section 3.27.060 Application review and issuance of conditional certificate.

A. Conditional Certificate.

1. The city manager may approve or deny an application for tax exemption.

   a. If approved, the applicant must enter into a contract with the city setting forth the terms and conditions of the project and eligibility for exemption under this chapter.

b. This contract is subject to approval by the city council.

c. The applicant shall record, at the applicant's expense, the contract with the county assessor within ten (10) days of contract execution and provide the city with the recording number.

4. Once the city council has approved the contract and it is fully executed and recorded, the city manager will issue the property owner a conditional certificate of acceptance of tax exemption.

   a. The certificate must contain a statement by the city manager that the property has complied with the required findings indicated in RCW 84.14.060.

The city council's decision on appeal shall be final.

B. Extension of Conditional Certificate. The conditional certificate may be extended by the city manager for a period not to exceed 24 consecutive months. The applicant must submit a written request stating the grounds for the extension, accompanied by a non-refundable processing fee equal to two times the current hourly rate for processing land use permits as provided in SMC 3.01 Fee Schedule. An extension may be granted if the city manager determines that:

1. The anticipated failure to complete construction or rehabilitation within the required time period is due to circumstances beyond the control of the applicant;

2. The applicant has been acting and could reasonably be expected to continue to act in good faith and with due diligence; and

3. All conditions of the original contract between the applicant and the city will be satisfied upon completion of the project.

A. Within thirty (30) days of receipt of all materials required for an application for final certificate, the city manager shall determine whether a final certificate should be issued. B. Approval. If the city manager determines that the project qualifies for the exemption, the city manager shall issue to the property owner a final certificate of tax exemption and file the final certificate with the county assessor within ten (10) days of the expiration of the thirty (30) day period provided in this section.

C. Denial. The city manager shall notify the applicant in writing within ten (10) days of the expiration of the thirty (30) day period provided in this section that the final certificate will not be issued if it is determined that:
