WHEREAS, under the provisions of the Youth Athletic Facilities (YAF) program, state grant assistance is requested to aid in financing the cost of facility development; and

WHEREAS, the Shoreline City Council considers it in the best public interest to complete the project described in the application(s);

### **NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:**

1. The City Manager, or her designee, is authorized to make formal application to the Recreation and Conservation Office for grant assistance;
2. Any grant assistance received will be used for direct costs associated with implementation of the project referenced above;
3. The City of Shoreline expects that our matching share of project funding will be derived from the 2016-2021 Capital Improvement Plan and that pursuant to WAC 286-13-040 (3) the City must certify the available match at least one month before funding approval. In addition, the City is responsible for supporting all non-cash commitments to this project should they not materialize;
4. The City acknowledges that the grant assistance, if approved, will be paid on a reimbursement basis, meaning the City will only request payment from the Recreation and Conservation Office after eligible and allowable costs have been incurred and payment remitted to our vendors, and that the Recreation and Conservation Office will hold retainage until the project is deemed complete;
5. The City acknowledges that any facility developed through grant assistance from the Recreation and Conservation Funding Board must be reasonably maintained and made available to the general public at reasonable hours and times of the year according to the type of area or facility unless other restrictions have been agreed to by the Recreation and Conservation Office Director or the Recreation and Conservation Funding Board;

6. The City acknowledges that any facility developed with grant assistance from the Recreation and Conservation Funding Board must be dedicated for public outdoor recreation purposes, and be retained and maintained for at least 20 years from the date of final project reimbursement unless otherwise provided and agreed to by the City and the Recreation and Conservation Funding Board;
7. This resolution becomes part of a formal application to the Recreation and Conservation Office for grant assistance; and
8. The City has provided appropriate opportunity for public comment on this application.
