

Urban Forest Restoration in the City of Shoreline

Washington Native Plant Society

Join WNPS Master Native Plant Stewards and volunteer in 2018 to help restore urban forests across the City of Shoreline! Come meet your neighbors and do good to weed out invasive species and install native plants – rain or shine! We have five different projects to choose from:

Boeing Creek

2nd Saturdays from 10am to 2pm

- 320 NW Innis Arden Way, Shoreline, WA 98177
- Meet at the north end of the Shoreview Park Off Leash Dog Park, just off the Shoreline Community College campus. The restoration project is just over the border into Boeing Creek Park, on the far side of the dog park.
- Contact Sheraden at Boeing.Creek.Restoration@gmail.com to RSVP or for further information

Brugger's Bog
