

2019 REGISTRATION

Neighborhood Block Party And National Night Out Against Crime

Organizing a **National Night Out** Event in your neighborhood is easy and we are here to help!

Registration is required for all parties, including permitted events involving street closures. The official NNO date this year is **Tuesday, August 6, 2019**. Whether you are hosting your event on this date or another, by registering we include you in Shoreline's official Night Out Crime Prevention participant count and map your event.

Following the simple steps outlined below will make your registration process quick and easy.

1. Fill out the registration form at www.shorelinewa.gov/nno or fill out attached form and bring to City Hall, Community Services Department, 2nd floor, 17500 Midvale Ave. N., Shoreline, WA 98133
2. A permit is usually required if you hold an activity in the street or close the street. To file a NNO permit application for street closure, contact City of Shoreline Permit Services at (206) 801-2500 or visit www.shorelinewa.gov/nno for the permit packet.

Reminder

Registration and permit applications for **NNO events hosted on August 6 must be received by the City of Shoreline by Tuesday, July 23th**. Meeting this deadline will ensure your party is in the drawing for a possible police or fire crew visit and plotted on the city's site visit map.

Please direct all National Night Out questions to Constance Perenyi at cperenyi@shorelinewa.gov or call (206) 801-2253.

Meeting this deadline will ensure you are in the drawing for possible police or fire crew visits.

2019 REGISTRATION

Neighborhood Block Party And National Night Out Against Crime

SHORELINE NATIONAL NIGHT OUT 2019

Due to Shoreline Fire's increasing emergency call volume, and the growing number of Block parties and neighborhoods participating in National Night Out Against Crime, our on-duty crews and apparatus are unable to attend every party to which they are invited.

Our firefighters will plan to attend 6 parties on August 1st, this year's National Night Out. We will send either an engine or aid car in response to neighborhood group requests.

We ask that you enter your Block Party's information below and a drawing will be held on July 25 to determine the six parties chosen for a fire crew visit. We will notify the six selected block party coordinators and tell them to expect an engine or aid car visit.
