Where to Take It—Recycling Throughout the Year

In Shoreline, there are many options to recycle items that are not collected at the curb. By recycling, you are helping to divert waste from the landfill and create a sustainable environment.

Washington has a **FREE** environmentally responsible recycling program for:

- Computers
- Laptops
- E-readers
- Monitors
- Televisions
- Portable DVD players

For more information visit [www.ecyclewashington.org](http://www.ecyclewashington.org) or call **1-800-RECYCLE**.

For locations in Shoreline to drop off these items please look inside this brochure.

### Shoreline's RecycleFest Events

Recycling events typically occur in the spring and fall to provide recycling opportunities for items not accepted at the curb. Look for details in event flyer, website and Currents newsletter.
