

2013 COMPREHENSIVE PLAN AMENDMENT DOCKET

The State Growth Management Act generally limits the City to amending its Comprehensive Plan once a year and requires that it create a Docket (or list) of the amendments to be reviewed.

The following item has been requested to be on the work plan for the Planning Commission's review in 2013:

1. Consider amendments to the Point Wells Subarea Plan and other elements of the Comprehensive Plan that may have applicability to reflect the outcomes of the Richmond Beach Traffic Corridor Study as described in Policy PW-9. Based on the outcome of the corridor study, it is expected that proposed amendments would include text changes to the Subarea Plan discussing the study, increasing the vehicle trips per day from a 4,000 trip maximum as described in Policy PW-12 and adding identified mitigation projects and associated funding needed to raise the maximum daily trip count while maintaining adopted Levels of Service to the Capital Facilities Element. Also, consider amendments to the Comprehensive Plan that could result from the development of Interlocal Agreements as described in Policy PW-13.

Estimated timeframe for Council review/adoption: September 2013.
