1.0 PURPOSE

The purpose of this policy is to establish policy and procedure to provide equal access to public community athletic programs and park facilities by prohibiting discrimination on the basis of sex as required by RCW 49.60.505.

2.0 BACKGROUND

Title IX of the Education Amendments of 1972 to the 1964 Civil Rights Act is a federal statute created to prohibit sex discrimination in education programs that receive federal financial assistance. Nearly every educational institution is a recipient of federal funds, and therefore is required to comply with Title IX.

In 2009, the Washington State Legislature added two new sections to RCW 49.60. These sections, now codified at RCW 49.60.500 and 49.60.505, require the adoption of a policy that specifically prohibits discrimination against any person on the basis of sex in the operation, conduct, or administration of community athletics program for youth or adults. This same legislative action amended RCW 35A.21 so as to apply these provisions to the community athletic programs administered by Shoreline.¹

In addition, this legislation expressly requires that third parties utilizing Shoreline's facilities for a community athletic program prohibit discrimination on the basis of sex.

3.0 POLICY

The City of Shoreline prohibits sex discrimination in the operation, conduct, or administration of community athletics programs for youth or adults. Third parties who receive leases or permits from the City of Shoreline for a community athletic program are also prohibited from discriminating on the basis of sex.
