SHORELINE'S PARKS, RECREATION & CULTURAL SERVICES

*What do you want your parks, recreation, and cultural services system to be,
and what are you willing to support?*

IT HAS BEEN 20 YEARS since Shoreline residents decided to incorporate and provide local control of parks and open spaces. Since then, the changes to Shoreline's parks and recreation opportunities have been astounding!

SHORELINE PARKS, RECREATION & CULTURAL SERVICES has a solid foundation. Now some of the foundational investments need attention. We invite you to take a grateful look at the past and set an imaginative eye toward the future.
