

WASTEWATER PERMIT SUBMITTAL CHECKLIST

• NEW CONNECTIONS

Planning & Community Development Public Works

The following information is typically needed in order to submit an application for review. Depending on the scope of work, some items may not apply or may be combined. If you have a question on required items, please call (206) 801-2500 or stop by our office. Read each item carefully and provide all applicable information.

- Wastewater Permit Application**
- Submittal Fee:** \$300.00. Additional fees to be determined at review.
- Site Plans – two (2) full size copies** drawn to an engineering scale, such as 1” = 20’. The site plan is a graphical representation of your total proposal as seen from above.
 - Utility Locations of all existing and proposed utilities including water, sewer, gas, electric, and telecommunications.
 - Name, address, and phone number of the person who prepared the drawing.
 - Graphic scale and north arrow.
 - Location of existing streets, easements, and driveways. Include driveways on adjacent property and adjacent streets.
 - Include all details which describe the project.
 - Frontage improvements for curb, gutter, sidewalk, access drive, drainage facilities, and street trees that may require restoration.
 - A profile view of the proposed wastewater line.
- Residential Projects**
 - King County Residential Sewer Use Certification Form (If Applicable)
 - Edmonds Treatment Plant Residential Sewer Use Certification Form (If Applicable)

- Non-Residential Projects**
 - Floor Plan – two (2) full size copies showing fixtures
 - King County Non-Residential Sewer Use Certification Form (If Applicable)
 - Edmonds Treatment Plant Non-Residential Sewer Use Certification Form (If Applicable)

Additional permits/information that may be required:

- Sewer Cap-off
- Developer Extension Agreement
- Separate Wastewater permit for work in Right of Way
- Separate Wastewater permit for work in Ronald Wastewater Easement
- Proof of Side Sewer Contractor License.

For more information regarding WW Regulations go to: www.shorelinewa.gov/wwpermit. Under the “Additional Information Section”, click on “Side Sewer Rules and Regulations”.

Please be sure that all drawings are clear and information is legible. Number each page consecutively and staple them together with the site plan as your first sheet. No pencil drawings will be accepted. Applications may not be accepted after 4:00 pm.

The Development Code (Title 20) is located at CodePublishing.com
