ROAD CLOSURE CODE–12.15.130

12.15.130 Temporary street closures

The convenience of an open roadway is consistent with the idea of good customer service. The City will discourage street closures and strongly discourage arterial street closures. In the event of street closure, the following standards apply:

- A. Signs shall be posted in a conspicuous place at each end of the roadway to be closed and at all intersections associated and/or adjacent to the closed segment of the street.
- B. The signs shall be posted no later than three calendar days prior to the proposed closure.
- C. Any residential street closures greater than 12 hours will require a detour route plan, signage, and a public notice published in the newspaper of record three days prior to closure.
- D. For all nonemergency arterial street closures, the publication of the closure is required in addition to posting signs a minimum of three days in advance, regardless of the length of the closure.
- E. For all street closures described above, the permittee is required to notify in writing the following agencies a minimum of three calendar days prior to the closure:
 1. The Shoreline Police Department;
 2. The Shoreline Fire District;
 3. The Shoreline School District; and
 4. King County Transportation Division.
- F. These standards shall be considered a minimum; other notifications may be required as appropriate.
