

# The City of Shoreline Notice of Public Hearing of the Hearing Examiner

**Applicant, Application No., and Permit Requested:** Sound Transit, SPL18-0140, Special Use Permit

**Location & Description of Project:** Sound Transit has requested a special use permit to construct an approximately 3.2-mile segment of the Lynnwood Link Extension Light Rail Transit Project facilities and systems, including two stations, within the City of Shoreline. The new light rail facilities and systems will be located within Shoreline, paralleling I-5 on the east side, beginning from the southern City limits at NE 145<sup>th</sup> Street/State Route 523, extending north to the northern City limits at NE 205<sup>th</sup> Street/State Route 104. The project area will also include two construction staging areas located on publicly owned property: Seattle City Light's regional transmission corridor property at 804 NE 185<sup>th</sup> Street and Shoreline School District's vacant Aldercrest Annex site at 2545 NE 200<sup>th</sup> Street.

Interested persons are encouraged to provide oral and/or written comments regarding the above project at an open record public hearing. The hearing is scheduled for April 24, 2019, at 6:00 PM in the Council Chamber at City Hall, 17500 Midvale Avenue N, Shoreline, WA.

Copies of the Notice of Application, SEPA Threshold Determination, application materials and applicable codes are available for review at City Hall, 17500 Midvale Avenue N.

Any person requiring a disability accommodation should contact the City Clerk at (206) 801-2230 in advance for more information. For TTY telephone service call (206) 546-0457. Each request will be considered individually according to the type of request, the availability of resources, and the financial ability of the City to provide the requested services or equipment.
