STARFISH

RICHMOND BEACH ORCA

SHELLS

HARBOR SEAL

KELP

FUN AT THE BEACH!

See if you can find all the items in a row, column, or corner to corner.

Remember to be safe when you're out and about: Stay six feet apart from others, wash your hands frequently, and don't touch your face.

You would be very lucky to see an Orca in the water. But keep your eyes open and you might see Orca sculptures on Richmond Beach Road.

When you visit the beach, remember to look and leave. Everything you see belongs exactly where you find it.
