CAN YOU FIND IT IN THE PARK?

See if you can find all the items in a row, column, or corner to corner.

Can you spy these items in the park? Explore a park close to you or go on an adventure to one new to you!

Remember to be safe when you're out and about: Stay six feet apart from others, wash your hands frequently, and don't touch your face. Be sure to wear a mask when close to others.

Please remember that playgrounds are currently closed.

SHARE YOUR ADVENTURE!

Take a picture of your bingo hunt and share on social media with the hashtag #iheartshoreline. Stay safe and stay healthy!
