WHITE BUTTERFLY

SWALLOWTAIL BUTTERFLY

EARWIG

PAPER WASP

EXPLORE THE INSECT WORLD

See if you can find all the items in a row, column, or corner to corner.

Find these small neighbors in your yard, your neighborhood, and our parks. Please watch and observe, but don't touch! Some of these buggy friends can get hurt if you handle them, and some of them may try to defend themselves with a pinch or sting!

Remember to be safe when you're out and about: Stay six feet apart from others, wash your hands frequently, and don't touch your face. Be sure to wear a mask when close to others.
