In accordance with RCW 46.55.240(1)(d), the sheriff of the King County department of public safety shall appoint one or more administrative hearing officers to conduct the post impound hearings requested pursuant to K.C.C. 46.08.080. Such hearing officer shall determine whether the impoundment was proper and whether the towing and/or storage fees charged in connection with the impound were proper.

B. At the hearing, the King County department of public safety may produce any relevant evidence to show that the impound and/or fees were proper. The officer's impound report and the towing contractor's impound receipts may be received in evidence. In determining whether the fees charged were proper, the hearing officer may take notice of the towing contractor's rates.

C. At the hearing, the person who requested the hearing may produce any relevant evidence to show that the impound and/or fees were not proper.

If the costs of impoundment have already been paid, the hearing officer shall enter an order against the county and in favor of the person who has paid the costs of impoundment in the amount of the costs of the impoundment plus interest at the rate of 12% per annum from the date that person paid such costs, and the county shall comply with such order. If the costs of impoundment have not been paid, the hearing officer shall enter an order directing the county to pay such costs to the towing contractor, and the county shall comply with such order.

F. If the hearing officer finds that the impoundment was proper, but that the towing and/or storage fees were improper, the hearing officer shall determine the correct fees to be charged. If the costs of impoundment have not been paid, the hearing officer shall order the release of the vehicle upon payment of the
correct impoundment fees as determined by the hearing officer. If the costs of impoundment have been paid, the hearing officer shall enter an order against the county and in favor of the person who has paid the costs of impoundment for the amount of the overpayment plus interest at the rate of 12% per annum on the overpayment from the date that person paid such costs, and the county shall comply with such order. The towing contractor shall be liable to the county for the amount of such overpayment and interest at the rate of 12% per annum. The towing contractor shall make such payment to the county no later than sixty days after it receives notice of such requirement to pay. The county may bring an action in the King County district court against the towing contractor to recover such overpayment plus interest at the rate of 12% per annum.

Prior to sale at public auction, the towing contractor shall confirm with the King County department of public safety that no hearing is pending.

B. When an unclaimed vehicle is sold at public auction pursuant to Subsection A. above, the towing contractor may recover its towing and storage charges from the proceeds of the sale.
