This Plan is an amendment and restatement of an existing defined contribution money purchase plan.

☐ Yes ☐ No

If yes, please specify the name of the defined contribution money purchase plan which this Plan hereby amends and restates:

I. Employer Name: City of Shoreline

II. The Effective Date of the Plan shall be the first day of the Plan Year during which the Employer adopts the Plan, unless an alternate Effective Date is hereby specified: 05/01/2001

III. Plan Year will mean:

☐ The twelve (12) consecutive month period which coincides with the limitation year. (See Section 5.04(j) of the Plan.)

☐ The twelve (12) consecutive month period commencing on ___________ and each anniversary thereafter.

IV. Normal Retirement Age (not to exceed age 65) shall be age 60.

V. ELIGIBILITY REQUIREMENTS:

1. The following group(s) of Employees are eligible to participate in the Plan:

The group specified must correspond to a group of the same designation that is defined in the statutes, ordinances, rules, regulations, personnel manuals or other material in effect in the state or locality of the Employer.

2. The Employer hereby waives or reduces the requirement of a twelve (12) month Period of Service for participation. The required Period of Service shall be \( \text{N/A} \). VI. CONTRIBUTION PROVISIONS

1. The Employer shall contribute as follows (choose one):

   \[ \text{☑ Fixed Employer Contributions With Or Without Mandatory Participant Contributions.} \]

   The Employer shall contribute on behalf of each Participant \( \text{7.8} \) % of earnings or \( \text{N/A} \) for the Plan Year (subject to the limitations of Article V of the Plan). Each Participant is required to contribute \( \text{0} \) % of earnings or \( \text{0} \) for the Plan Year as a condition of participation in the Plan. (Write "0" if no contribution is required.) If Participant Contributions are required under this option, a Participant shall not have the right to discontinue or vary the rate of such contributions after becoming a Plan Participant.

   The Employer hereby elects to “pick up” the Mandatory/Required Participant Contribution.

   \[ \text{☑ Yes \quad ☐ No} \]

   The pick-up provision specifies that the contribution is treated, for federal income tax purposes, as though it is made by the employer. The pick-up provision allows the employee to defer taxes on the employee mandatory contribution. The actual result is the same as if the contribution were a reduction in that employee’s salary by the amount of the contribution. Picked up contributions are NOT exempt from Social Security tax.

   \[ \text{[Note to Employer: A determination letter issued to an adopting Employer is not a ruling by the Internal Revenue Service that Participant contributions that are picked up by the Employer are not includable in the Participant’s gross income for federal income tax purposes. The Employer may seek such a ruling.} \]

MPP Adoption Agreement 4/30/2000
[Picked up contributions are excludable from the Participant's gross income under section 414(h)(2) of the Internal Revenue Code of 1986 only if they meet the requirements of Rev. Rul. 81-35, 1981-1 C.B. 255. Those requirements are (1) that the Employer must specify that the contributions, although designated as employee contributions, are being paid by the Employer in lieu of contributions by the employee; and (2) the employee must not have the option of receiving the contributed amounts directly instead of having them paid by the Employer to the plan.]

☑ Fixed Employer Match of Participant Contributions.

The Employer shall contribute on behalf of each Participant ___% of Earnings for the Plan Year (subject to the limitations of Article V of the Plan) for each Plan Year that such Participant has contributed ___% of Earnings or $_______. Under this option, there is a single, fixed rate of Employer contributions, but a Participant may decline to make the required Participant contributions in any Plan Year, in which case no Employer contribution will be made on the Participant's behalf in that Plan Year.

☑ Variable Employer Match Of Participant Contributions.

The Employer shall contribute on behalf of each Participant an amount determined as follows (subject to the limitations of Article V of the Plan):

___% of the contributions made by the Participant for the Plan Year (not including Participant contributions exceeding ___% of Earnings or $______________);

PLUS ___% of the contributions made by the Participant for the Plan Year in excess of those included in the above paragraph (but not including Participant contributions exceeding in the aggregate ___% of Earnings or $______________).

Employer Contributions on behalf of a Participant for a Plan Year shall not exceed $____________ or _____% of Earnings, whichever is ___ more or ___ less.

2. Each Participant may make a voluntary (unmatched), after-tax contribution, subject to the limitations of Section 4.05 and Article V of the Plan.

☐ Yes ☐ No
3. Employer contributions and Participant contributions shall be contributed to the Trust in accordance with the following payment schedule: (please circle one choice)

0 Bi-Weekly
3 Bi-Monthly
6 Bi-Quarterly
9 Bi-Annually

1 Weekly
4 Monthly
7 Quarterly
10 Annually

2 Semi-Weekly
5 Semi-Monthly
8 Semi-Quarterly
11 Semi-Annually

VII. EARNINGS

Earnings, as defined under Section 2.09 of the Plan, shall include:

(a) Overtime  □ Yes  ☑ No

(b) Bonuses  □ Yes  ☑ No

VIII. LIMITATION ON ALLOCATIONS

If the Employer maintains or ever maintained another qualified plan in which any Participant in this Plan is (or was) a participant or could possibly become a participant, the Employer hereby agrees to limit contributions to all such plans as provided herein, if necessary in order to avoid excess contributions (as described in Sections 5.02 and 5.03 of the Plan).

1. If the Participant is covered under another qualified defined contribution plan maintained by the Employer, the provisions of Section 5.02(a) through (f) of the Plan will apply unless another method has been indicated below.

☐ Other Method. (Provide the method under which the plans will limit total Annual Additions to the Maximum Permissible Amount, and will properly reduce any excess amounts, in a manner that precludes Employer discretion.)

N/A

2. If the Participant is or has ever been a participant in a defined benefit plan maintained by the Employer, and if the limitation in Section 5.03 of the Plan would be exceeded, then the Participant's Projected Annual Benefit under the defined benefit plan shall be reduced in accordance with the terms thereof to the extent necessary to satisfy such limitation. If such plan does not provide for such reduction, or if the limitation is still exceeded after the reduction, annual additions shall be reduced to the extent necessary in the manner described in Sections 5.02 and 5.02. The methods of avoiding the limitation described in this paragraph will not apply if the Employer indicates another method below.
3. The limitation year is the following 12-consecutive month period:

I. PURPOSE
The purpose of these guidelines is to establish the terms and conditions under which the Employer will
grant loans to participants. This is the only official Loan Program Document of the above named Plan.

II. ELIGIBILITY
Loans are available to all active employees. Loans will not be granted to participants who have an existing
loan in default.

Loans are available from the following sources: [select one or both]

☐ Employer Contribution Account (vested balances only)

☐ Participant Contribution Accounts (pre- and post-tax, if applicable, including Employee
Mandatory, Employee Voluntary, Employer Rollover, and Portable Benefits Accounts, but
excluding the Deductible Employee Contribution/Qualified Voluntary Employee Contribu-
tion Account)

Loans will be pro-rated among all the funds in which the participant is invested at the time the loan is
made.

Loans are available for the following purposes: [select one]

☐ All purposes

☐ Loans shall only be granted in the event of a participant’s hardship or for the purpose of
enabling a participant to meet certain specified financial situations. The Employer shall deter-
mine, based on all relevant facts and circumstances, that the amount of the loan is not in
excess of the amount required to relieve the financial need. For this purpose, financial need
shall include, but shall not be limited to: unreimbursed medical expenses of the participant or
the participant’s immediate family, establishing or substantially rehabilitating the principal
residence of the participant, or paying for a college education (including graduate studies) for
the participant or his/her dependents.

III. FREQUENCY OF LOANS [select one]

☐ Participants may receive one loan per calendar year. Moreover, participants may have only
one outstanding loan at a time.

☐ Participants may receive one loan per calendar year. Moreover, no participant may have more
than five (5) loans outstanding at one time.

21
IV. LOAN AMOUNT

The minimum loan amount is $1,000.

The maximum amount of all loans to the participant from the Plan and all other plans sponsored by the Employer that are qualified employer plans under Section 72(p) (4) of the Code is the lesser of:

1. $50,000, reduced by the excess (if any) of:
   a. The highest outstanding balance of loans during the one-year period ending on the day before the date a loan is to be made, over
   b. The outstanding balance of loans on the date the loan is to be made; or

2. 1/2 of the participant’s vested account balance.*

If a participant has any loans outstanding at the time a new loan is requested, the new loan will be limited to the maximum amount calculated above reduced by the total of the outstanding loans.

A loan cannot be issued for more than the above amount. The participant’s requested loan amount is subject to downward adjustment without notice due to changes in account balance between the time of application and the time the loan is made.

* The Code & Plan document say "greater of $10,000 or 1/2 of vested account balance".

V. LENGTH OF LOAN

A loan must be repaid in substantially equal installments of principal and interest, at least monthly, over a period that does not exceed five (5) years.

Loans for a principal residence must be repaid in substantially equal installments of principal and interest, at least monthly, over no more than 30 [state number of years] years (maximum 30 years).

VI. LOAN REPAYMENT PROCESS

Loans for active employees must be repaid through payroll deduction. Repayment will begin as soon as practicable on a date determined by the Employer’s payroll cycle.

Loans outstanding for former employees who are allowed under Section X to maintain their loans or loans outstanding for employees on a leave of absence must be repaid on the same schedule as if payroll deductions were still being made unless they reamortize their loans and establish a new repayment schedule which provides that substantially equal payments are made at least monthly over the remaining period of the loan. All repayments must be made through the Employer.

Loan payments, including loan payments from former employees, are allocated to the same investment options designated on the 401 Enrollment Form or according to the most current 401 Change Form which
specifies contribution allocations.

The participant may pay off all or a portion of the principal interest early without penalty or additional fee. Extra payments are applied forward to both principal and interest as specified in the original repayment schedule, unless the additional payment is for the balance due.

VII. LOAN INTEREST RATE

The rate of interest for loans of five (5) years or less will be based on prime plus 0.5%.

The rate of interest for loans for a principal residence will be based on the FHA rate.

Interest rates are determined on the last business day of the month preceding the month the loan is disbursed. The interest rate is locked in at the time a loan is approved and remains constant throughout the life of the loan.

The prime interest rate is determined on the last business day of each month using The Wall Street Journal as the source. The FHA interest rate is also determined on the last business day of each month using a national rateline service as the source.

Loan interest rates for new loans may fluctuate upward or downward monthly, depending on the movement of the prime and FHA interest rates.

VIII. LOAN APPLICATION PROCEDURE

All loans must be requested in writing on an application approved by the Plan Administrator. The application must be signed by the participant. The Employer must review and approve the application.

If the participant is married at the time of application, and spousal consent is required by the Plan for the loan, the participant's spouse must consent, in writing, to the loan and the consent must be witnessed by a plan representative or notary public. Such consent must be given within the ninety (90) day-period before the time the loan is made. Spousal consent, if required, must accompany the application in order for the application to be considered complete.

The participant will be required to sign a promissory note evidencing the loan and a disclosure statement which includes an amortization schedule prior to receiving a loan check. Loan checks will generally be issued two business days following the receipt of a complete loan application received through 12 noon Eastern Time. The loan check, promissory note, disclosure statement and truth-in-lending revision notice will be sent to the Employer, who will obtain the necessary signatures and deliver the check to the participant. All executed documents must be returned to the Plan Administrator within 10 calendar days from the date the check is issued.
IX. SECURITY/COLLATERAL

That portion of a participant's vested account balance that is equal to the amount of the loan is used as collateral for the loan. The collateral amount may not exceed 50 percent of the participant's vested account balance at the time the loan is taken. Only that portion of the vested account balance that corresponds to the amount of the outstanding loan balance is used as collateral.

X. ACCELERATION [select one]

☐ All loans are due and payable in full upon separation from service.

☒ All loans are due and payable when a participant receives a distribution of all of his/her account balance after separation from service. The amount of the outstanding loan balance will be reported as a distribution in addition to the amount of cash distributed from the plan.

☐ All loans are due and payable when a participant receives a distribution of part of his/her account balance after separation from service. The amount of the outstanding loan balance will be reported as a distribution in addition to the amount of cash distributed from the plan.

XI. REAMORTIZATION

Any outstanding loan may be reamortized. Reamortization means changing the terms of a loan, such as length of repayment period, interest rate, and frequency of repayments. A loan may not be reamortized to extend the length of the loan repayment period to more than five (5) years from the date the loan was originally made, or in the case of a loan to secure a principal residence, beyond the number of years specified by the Employer in Section V above.

A participant must request the reamortization of a loan in writing on a reamortization application acceptable to the Plan Administrator. Spousal consent must accompany the request for reamortization when such consent is required by the Plan. Upon processing the request, a new disclosure statement will be sent to the Employer for endorsement by the participant and approval by the Employer. The executed disclosure statement must be returned to the Plan Administrator within 10 calendar days from the date it is signed. The new disclosure statement is considered an amendment to the original promissory note, therefore a new promissory note will not be required.

A reamortization will not be considered a new loan for purposes of calculating the number of loans outstanding or the one loan per calendar limit.

XII. REFINANCING EXISTING LOANS

If a participant has one outstanding loan, that loan may be refinanced. If a participant has more than one outstanding loan, no loans may be refinanced. Refinancing means concurrently repaying an existing loan and borrowing an additional amount through a new loan.
In order to refinance an existing loan, a participant must request a new loan in writing on an application approved by the Plan Administrator. Spousal consent must accompany the application when such consent is required by the Plan. Such request must be made at a time when the participant is eligible to obtain a loan as defined by the Employer in Section III above. The amount of a new loan requested for the purpose of refinancing is subject to the loan limits specified in Section IV above.

Because refinancing is considered a new loan, only active employees may refinance an outstanding loan.

**XIII. REDUCTION OF LOAN**

If a participant dies and leaves an outstanding loan, the unpaid loan balance(s) will be repaid from the account balance before any distributions are made to a beneficiary(ies). The unpaid loan amount is a taxable distribution and may be subject to early withdrawal penalties. The participant's estate is responsible for taxes or penalties on the unpaid loan amount, if any. The beneficiary is responsible for taxes due on the amount he/she receives. A Form 1099-R will be issued to both the beneficiary and the estate for these purposes.

**XIV. LOAN DEFAULT**

If a required payment of principal and interest is not made within 90 days of the date such payment is due, the loan is considered in default. If a loan is in default, the loan will be foreclosed during the calendar year in which the participant separates from service. However, the IRS "deems" a default to be a distribution in the year the default occurs. Therefore, the amount of the outstanding loan at the time of the default, will be reported to the IRS as a distribution in the year the default occurs even though the loan may not be foreclosed at that time. The distribution may be subject to taxes and possibly a penalty for early withdrawal.

If a participant has separated from service and defaults on a loan, then the loan will be foreclosed during the calendar year in which the default occurs. The amount of the outstanding loan, will be reported to the IRS as a distribution which may be subject to taxes and possibly a penalty for early withdrawal.

If the Employer has elected in Section X and the promissory note so provides, a loan becomes due and payable when the participant separates from service. If the terms of the loan contain this provision, the outstanding loan amount is "deemed" in default as of the date of separation from service. The amount of the outstanding loan, will be reported to the IRS as a distribution which may be subject to taxes and possibly a penalty for early withdrawal.

If the Employer has so elected in Section X and the promissory note so provides, a loan becomes due and payable when the participant takes a distribution of some or all of the balance in his/her account after separation from service. If the terms of the loan contain such a provision and the outstanding loan balance is not paid prior to the distribution from the account, the outstanding loan amount will be considered in default upon issuance of the distribution check. The amount of the outstanding loan will be reported to the IRS as a distribution which may be subject to taxes and possibly a penalty for early withdrawal. Participants who have an existing loan in default will not be eligible for additional loans.
XV. DE MINIMIS ACCOUNTS AND OUTSTANDING LOAN BALANCE

If a participant separates from service and the participant's total vested account balance, including the outstanding loan balance, is $5,000 or less, the Plan will automatically foreclose the loan. The account balance remaining after the loan has been satisfied will be disbursed in accordance with De Minimis provisions of Section 10.04 of the Plan. If this occurs, the amount of the loan, will be reported to the IRS as part of the distribution, which may be subject to taxes and possibly a penalty for early withdrawal. Participants who have an existing loan in default will not be eligible for additional loans.

XVI. FEES

Fees may be charged for various services associated with the application for and issuance of loans. All applicable fees will be debited from the participant's account balance and/or from the participant's loan repayments prior to crediting the repayment of principal and interest to the participant's account. A schedule of fees applicable to this Plan is available from the Plan Administrator.

XVII. OTHER

The Employer has the right to set other terms and conditions as it deems necessary for loans from the Plan in order to comply with any legal requirements. All terms and conditions will be administered in a uniform and non-discriminatory manner.

In Witness Whereof, the Employer hereby caused these Guidelines to be executed this ________ day of _____________________________, 20______.

AGREEMENTS

1. Appointment of RC

Employer hereby designates RC as Administrator of the Plan to perform all non-discretionary functions necessary for the administration of the Plan with respect to assets in the Plan deposited with the Trust. The functions to be performed by RC include:

Employer has adopted the Declaration of Trust of the ICMA Retirement Trust and agrees to the commingled investment of assets of the Plan within the Trust. Employer agrees that operation of the Plan and investment, management and disbursement of amounts deposited in the Trust shall be subject to the Declaration of Trust, as it may be amended from time to time and shall also be subject to terms and conditions set forth in disclosure documents (such as the Retirement Investment Guide or Employer Bulletins) as those terms and conditions may be adjusted from time to time. It is understood that the term "Employer Trust" as it is used in the Declaration of Trust shall mean this Administrative Services Agreement.

3. Employer Duty to Furnish Information

Employer agrees to furnish to RC on a timely basis such information as is necessary for RC to carry out its responsibilities as Administrator of the Plan, including information needed to allocate individual participant accounts to Funds in the Trust, and information as to the employment status of participants, and participant ages, addresses and other identifying information (including tax identification numbers). 4. Certain Representations, Warranties, and Covenants

RC represents and warrants to Employer that:

(a) RC is a non-profit corporation with full power and authority to enter into this Agreement and to perform its obligations under this Agreement. The ability of RC to serve as investment adviser to the Trust is dependent upon the continued willingness of the Trust for RC to serve in that capacity.

(a wholly owned subsidiary of RC) is registered as a broker-dealer with the Securities and Exchange Commission (SEC) and is a member in good standing of the National Association of Securities Dealers, Inc.
RC covenants with employer that:

(c) RC shall maintain and administer the Plan in compliance with the requirements for plans which satisfy the qualification requirements of Section 401 of the Internal Revenue Code; provided, however, RC shall not be responsible for the qualified status of the Plan in the event that the Employer directs RC to administer the Plan or disburse assets in a manner inconsistent with the requirements of Section 401 or otherwise causes the Plan not to be carried out in accordance with its terms; provided, further, that if the plan document used by the Employer contains terms that differ from the terms of RC's standardized plan document, RC shall not be responsible for the qualified status of the Plan to the extent affected by the differing terms in the Employer's plan document.

Employer represents and warrants to RC that:

(d) Employer is organized in the form and manner recited in the opening paragraph of this Agreement with full power and authority to enter into and perform its obligations under this Agreement and to act for the Plan and participants in the manner contemplated in this Agreement. Execution, delivery, and performance of this Agreement will not conflict with any law, rule, regulation or contract by which the Employer is bound or to which it is a party.

5. Participation in Certain Proceedings

The Employer hereby authorizes RC to act as agent, to appear on its behalf, and to join the Employer as a necessary party in all legal proceedings involving the garnishment of benefits or the transfer of benefits pursuant to the divorce or separation of participants in the Employer Plan. Unless Employer notifies RC otherwise, Employer consents to the disbursement by RC of benefits that have been garnished or transferred to a former spouse, spouse or child pursuant to a domestic relations order.

6. Compensation and Payment

(a) Plan Administration Fee. The amount to be paid for plan administration services under this Agreement shall be 0.55% per annum of the amount of Plan assets invested in the Trust. Such fee shall be computed based on average daily net Plan assets in the Trust.

(b) Account Maintenance Fee. (i) There shall be an annual account maintenance fee of $25.00. The account maintenance fee is payable in full on January 1st of each year on each account in existence on that date. For accounts established AFTER January 1st, the fee is payable on the first day of the calendar quarter following establishment and is prorated by reference to the number of calendar quarters remaining on the day of payment.
(ii) The account maintenance fee will be waived beginning in the year following the year in which total Plan assets exceed $4 million.

(c) Compensation for Management Services to the Trust and Advisory and other Services to the Vantagepoint Funds. Employer acknowledges that in addition to amounts payable under this Agreement, RC receives fees from the Trust for investment management services furnished to the Trust. Employer further acknowledges that certain wholly-owned subsidiaries of RC receive compensation for advisory and other services furnished to the Vantagepoint Funds, which serve as the underlying portfolios of a number of Funds offered through the Trust. The fees referred to in this subsection are disclosed in the Retirement Investment Guide. These fees are not assessed against assets invested in the Trust's Mutual Fund Series.

(d) Mutual Fund Services Fee. There is an annual charge of 0.40% assessed against average daily net Plan assets invested in the Trust's Mutual Fund Series.

(e) Model Portfolio Fund Fee. There is an annual charge of 0.10% assessed against daily average net Plan assets invested in the Trust's Model Portfolio Funds.

(f) Payment Procedures. All payments to RC pursuant to this Section 6 shall be paid out of the Plan assets held by the Trust and shall be paid by the Trust. The amount of Plan assets held in the Trust shall be adjusted by the Trust as required to reflect such payments.

7. Custody

Employer understands that amounts invested in the Trust are to be remitted directly to the Trust in accordance with instructions provided to Employer by RC and are not to be remitted to RC. In the event that any check or wire transfer is incorrectly labeled or transferred to RC, RC will return it to Employer with proper instructions.
8. **Responsibility**

RC shall not be responsible for any acts or omissions of any person other than RC in connection with the administration or operation of the Plan.

9. **Term**

This Agreement may be terminated without penalty by either party on sixty days advance notice in writing to the other.

10. **Amendments and Adjustments**

(a) This Agreement may not be amended except by written instrument signed by the parties.

(b) The parties agree that compensation for services under this Agreement and administrative and operational arrangements may be adjusted as follows:

RC may propose an adjustment by written notice to the Employer given at least 60 days before the effective date of the adjustment and the notice may appear in disclosure documents such as Employer Bulletins and the Retirement Investment Guide. (b) The Retirement Trust is hereby expressly made a part of the appropriate Qualified Plan or Deferred Compensation Plan of each Public Employer that executes or has executed this Declaration of Trust.

No part of the Trust Property will be invested in securities issued by Public Employers.

(b) Participation in the Retirement Trust is limited to M pension and profit-sharing trusts which are maintained by Public Employers and that are exempt under section 501(c) of the Internal Revenue Code because the Qualified Plans related thereto qualify under section 401(a) of the Internal Revenue Code and (ii) deferred compensation plans maintained by Public Employers under Section 457 of the Internal Revenue Code (and trusts maintained by such Public Employers in connection with such 457 plans).

Section 2.3 Ownership of Trust Property:

Five of the Trustees shall be full-time employees of a Public Employer (the Public Employee Trustees) who are authorized by such Public Employer to serve as Trustee. The remaining four Trustees shall consist of two persons who, at the time of election to the Board of Trustees, are members or former members of the Executive Board of ICMA, and two persons who, at the time of election, are members or former members of the Board of Directors of the R.C. The appointment shall be made by a written instrument signed by a majority of the Trustees. The person appointed must be the same type of Trustee (i.e., Public Employee Trustee, ICMA Trustee or K.C. Trustee) as the person who has ceased to be a Trustee. An appointment of a Trustee may be made in anticipation of a vacancy to occur at a later date by reason of retirement or resignation, provided that such appointment shall not become effective prior to such retirement or resignation. Whenever a vacancy shall occur, until such vacancy is filled as provided in this Section 3.5, the Trustees in office, regardless of their number, shall have all the powers granted to the Trustees and shall discharge all the duties imposed upon the Trustees by this Declaration.
