The Shoreline Place/Aurora Square shopping center was declared a Community Renewal Area (CRA) in 2012 to support redevelopment into a vibrant, mixed use urban village. A unique sign code was created for the CRA and as redevelopment begins staff is proposing updates to better serve the development planned for the site. For example, the proposed changes provide different sign allowances for ground floor retail spaces than apartment buildings. The City has created a project webpage where you can learn more about the CRA and proposed sign code changes: [http://www.shorelinewa.gov/business/aurora-square-community-renewal-area](http://www.shorelinewa.gov/business/aurora-square-community-renewal-area)
