Location of Proposal: 145th Street Corridor – I-5 interchange to Linden Ave N

Project Description: Corridor improvements including, but not limited to, road paving/widening, landscaping, new/widened sidewalks, lighting, stormwater management, undergrounding utilities, and bicycle and pedestrian safety improvements.

Application Number: PLN20-0131

Proponent: City of Shoreline

Date of Issuance: October 30, 2020

Threshold Determination: The City of Shoreline, as lead agency for this proposal, has determined the proposal will not have a probable significant adverse impact(s) on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of the completed environmental checklist, the City of Shoreline Comprehensive Plan, the City of Shoreline Development Code, and other information on file with the Department. This information is available for public review upon request at no charge. This Determination of Non-Significance (DNS) is issued in accordance with WAC 197-11-340(2). The City will not act on this proposal for 14 days after issuance.

Appeal Information: This Threshold Determination may be appealed by any aggrieved person or agency to the City of Shoreline Hearing Examiner as provided in SMC 20.30 Subchapter 4 and SMC 20.30.680 no later than fourteen (14) calendar days after the date of issuance. Appeals must be submitted in writing to the City Clerk at clk@shorelinewa.gov with the appropriate filing fee and received not later than 5:00 pm on the last day of the appeal period. The written appeal must contain specific factual objections related to the environmental impacts of the project.

Project Information: For more information, including application, documents, plans, and all SEPA related materials, please contact Andrew Bauer, Senior Planner at abauer@shorelinewa.gov or by calling 206-801-2513.
